(A Committee from this Council

him (provided the Council find
the way clear to proceed to the
ordination of M^r Hayes) to give the
Charge & see for another year if M^r
Woodbridge should find himself able,

(He shall be willing.) The Council proceeded to a trial of the candidate by a careful examination as to his acquaintance with the principal doctrines of Christianity; his ability to direct inquiring souls, in the way to Heaven, to answer practical cases of Conscience, to refute gainsayers, & with respect to his views & ends in entering into the Gospel Ministry. The Council were certified by proper credentials, that M^r Hayes is a member in good standing in the Chh, & hath been regularly licensed to preach the Gospel as a candidate for the work of the Ministry.

to be preserved recorded in a book
of Mr. Woodbridge.

April 23 1781.

At a C^hh meeting of the Brethren of
the C^hh in South Hadley. the C^hh
voted unanimously to give Mr. Ayer
a Call to settle among us in the work
of the Ministry - J^r. Woodbridge -

March 10 1782

The C^hh voted April 17th Day & next to
be the Day for Mr. Joel Ayers
Ordination to the pastoral Ministry in
South Hadley - J^r. Woodbridge Pastor.

Dec. 14 1783. The 2^d C^hh in Hadley met
together to hear & consider the reasons
why Francis Green, Timothy Hillyer
& John Hillyer had refused to hold com-
munion with us, for more than a
year past at the Lords Table & also why
they had refused to be present at the
adjourned meetings of the C^hh when
the Brethren had met together to
consider their case. John Hillyer at
his Meeting was accepted & read to
Charity by a vote of the C^hh. & the
meeting was adjourned to a month
from that time to consider the case
of Francis Green, & Tim^o. Hillyer.

Jan^y 11th 1784

The Chh met together upon the adjournment, & Tim^o Hillyer was accepted & rec^d to charity by a vote of the Chh. the Chh also voted that Francis Green should be dismissed from this Chh upon condition that the Chh at Cold Spring will receive him we declaring to them the State of the Case.

Dec^r 24th 1784

At an adjourned meeting of the D Chh of Chh in Hadley. the Chh voted Tim^o Hillyer guilty of the Sin of excessive drinking of strong Drink & disguising himself therewith, & that he should be publicly admonished therefor, allowing him one month space for consideration. At the same meeting, the Chh voted Elijah Alward guilty of a breach of Gospel Rule in his violently pulling down or attempting to pull down Moses Taylors fence in order to force his way thro^o with his Team, when forbidden by M^r Taylor.

At a meeting of the Chh of Chh in Hadley & Precinct, June 29th 1785, to consider the case of Elijah Alward with respect to his pulling down or attempting to pull down Moses Taylors fence, all the desire of Elijah Alward the Chh voted him the Liberty, to call in the Pres^t M^r Sam^l Hopkins, the Pres^t M^r Jonathan Edwards, & the Pres^t M^r David Parsons to hear &

(determine the Case, allowing him
the space of one month to accomplish
the business. & accordingly within
term the Pres^d Mr Saml Hopkins &
the Rev Mr Jonth Edwards were present;
& the Chh being notified the Sabbath
preceeding of the ministers coming that
week, & notified to meet at the meeting
house on such a day of that week at
a certain time of Day, when the minist-
ters were to be present; the Chh voted that
the Pres^d Mr Saml Hopkins & the Rev
Mr J. Edwards, should hear & determine
the Case; & it was also consented to by
Elijah Alward, & the said Gentlemen
having heard the case determined that
the Chh had no right to require a public
acknowledgement of Elijah Alward
in the Case. —

At a meeting of the 1st Chh in South
Adley Nov^r 2^d 1767. voted by the Chh
that no Complaint shall be heard
against any member of this Chh
when the Chh is sitting down at the
Lords Table. —

August 20th 1769 The Chh in South
Adley voted, that Moses Taylors
conduct in coming into the meeting
house upon the Sabbath & going
immediately out, & with drawing him-
self from the public worship as he
did some time since, & also his
conduct toward the Chh when he was

Questioned by the Chh upon it was
disorderly, & a breach of Gospel Rule,
& that he should be banished from the
priviledges of the Chh till he should
make Christian Satisfaction to
the Chh therefor. —

A chh meeting held May 2. 1822
opened with prayer —
The chh took into consideration
some articles alluded against
Earl Bishops by some persons at
Sunderland — The chh voted that
none of them in their opinion were
superstitious, & as to render him
conformable —

This report was accepted.

The Council attended to the testimony which was brought forward in support of the allegations made against the Pastor by the Committee of the Church -

First Article - Viz - 1. In our opinion he has for many years past been negligent in his studies, entertaining his people for the most part by reading over his old discourses, which being so often repeated have become unedifying to most hearers."

Voted - Not Supported

Second Article - Viz - 2nd "In many of his discourses, especially on the prohibitions contained in the Seventh Commandments, he makes use of language grossly indelicate, which causes disagreeable sensations in the minds of the pious, a blush on the cheek of modesty, and excites the laughter and ridicule of the less serious part of the Congregation."

Voted - Not Supported

Third Article - Viz - 3rd "We believe he has but little knowledge of the spiritual

State of his people; seldom visiting, and rarely entering ~~entering~~ into religious conversation with them."

Voted Not Supported

Fourth Article Viz 4 In times of Religious awakening he has seldom encouraged the preaching among us of such ministers as the people wished to hear but has been strenuous to conduct every thing in his own way; consequently we have little or no instruction but what we have from him."

Voted Not Supported

Voted that the sentiments of this Council upon the allegations above against the Pastor be entered upon the Church & Town Records

The Council feel constrained to say that so far as appears upon examination the Rev^d Mr Stages has conducted with as great Ministerial fidelity as is common among his brethren and as is consistent with human imperfection —

In consideration of the feelings which appear to exist in the Church and Town they deem it expedient that the Pecuniary Contract subsisting between him & the People be discharged provided the conditions of the proposition made to him by the Committee on behalf of the Town shall be fulfilled - And while they affectionately recognise the Rev^d Mr Hayes as a worthy brother & fellow labourer in the vineyard of our Lord Jesus Christ they would commend him & the Church & People of this Town to the guidance and protection of the Holy Spirit praying that they may love as brethren live in peace and be fellow helpers to the Kingdom of God -

Voted That this ecclesiastical Council appoint a Committee to meet at the call of the Pastor and Church in this Town at some future time to see if the result of this Council is carried into effect and declare the same

Rev^d Mr Perkins Clerk

On examining the proceedings of the Town of
South Hadley in reference to the result
of the late Ecclesiastical Council, the
Committee found that the result has been
accepted by the Town and the conditions
mutually complied with on which the
pastoral & Ministerial labours of the Rev^d
Mr Hayes are to cease upon which the
Committee hereby publicly declare that
the pecuniary contract between the
Town of South Hadley and Rev^d Mr Hayes
is from this time dissolved, But it is to be
specially understood that his relation to the
Church as a Pastor, and to the Town as a
Minister is not dissolved; but according
to the mutual agreement of the parties his
labours are to cease unless he is particularly
requested by the Church or Town to perform
such services as are connected with the
ministerial office, While thus the Rev^d Mr
Hayes is released from his official duties

and obligations to his church and people as
an active Minister and yet retains his connec-
tion with them as a Counsellor & friend, to
bear them to ~~be~~ ~~them~~ on his heart to God
We most cordially and fervently commend
him to the Mercy of God our Saviour; that
he may be supported under his trials -
review his ministerial life with Christian
complacency and his church be speedily
blest with a devoted servant of the Lord
and spend the evening of his days in tranquility
and an unclouded hope of a glorious
immortality. At the same time we also recommend
this church and people now at liberty to procure
another gospel Minister, to the God of light & peace,
devoutly imploring that they may be at peace
among themselves, and soon obtain an able, faithful
pious and evangelical Teacher who shall
break to them the bread of life, and promote
their temporal, spiritual and everlasting interests.

And now brethren we commend you to God
and the word of his Grace, who is able to build
you up in peace and holiness and give you
an inheritance among them that are sanctified
